RE: City Council Bill 08-0037

I am herein reporting on City Council Bill 08-0037 introduced by Council President Stephanie Rawlings-Blake at the request of The Administration (Department of Public Works).

The purpose of this Bill is to authorize the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in a certain parcel of land Known as a portion of the former bed of Monroe Street, contiguous to the southwest side thereof and extending from Reisterstown Road, Southeasterly 253.5 feet, more or less, and no longer needed for public use; and providing for a special effective date.

The Baltimore City Parking Authority, Inc. reviewed the proposed legislation and examined the property and supports the Bill. The Parking Authority has determined that there would be no negative fiscal or operational impacts to any administered parking programs for on-street parking activity and/or City-owned off-street parking facilities as a result of the sale of this property.

Based on the above comments, the Baltimore City Parking Authority, Inc. supports the passage of City Council Bill 08-0037.
