RE: City Council Bill 12-0015R-Baltimore Police Department-Online
Reporting Systems for Minor Crimes, Officer Commendations and
Complaints

The Baltimore Police Department (BPD) has reviewed City Council Bill 12-0015R-Baltimore Police Department-Online Reporting Systems for Minor Crimes, Officer Commendations and Complaints which requests that the Department report to the City Council on its progress in implanting these type of programs.

As the Council is aware, the BPD has already begun the process of evaluating and implementing an on-line police reporting system for minor crimes and will be happy to address the Council on this matter. We are also happy to address the other proposals contained in the Resolution. Thank you for the opportunity to comment on this legislation.
