The Honorable President and
Members of the City Council
Room 400, City Hall

August 16th, 2018

City Council Bill #17-0094 was created for the purpose of authorizing the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in certain property known as the NS Eastern Avenue Underpass NEC Macon Street (Block 06326, Lots 1-10) and no longer needed for public use; and providing for a special effective date.

The property is described as a paved parking lot located on the corner of South Macon Street and Portugal Street, containing 5,241 square feet.

Since this property is no longer needed for public use, and there were no objections from various city agencies to declare the property as surplus, and since there is not a significant fiscal impact, the Department of Finance has no objection to the passage of Council Bill 17-0094.
