**Office of the Zoning Administrator

Ref: 1610 E. Chase Street

Date: October 31, 2025

This memo is submitted to confirm the review of a request from the owner and/or representative of the property (or properties) referenced above for authorization to:

Use premises for two dwelling units – R-8 Zoning District

Please be advised that the Office of the Zoning Administrator has determined that the authorization requested above (in whole or in part) requires approval by Ordinance of the Mayor and City Council of Baltimore (Subsections 9-701 & 9-703). Per the Bulk Regulations of Subsection 9-401, in an R-8 Residential District, a minimum lot area of 1,500 square feet is required. The lot area for this parcel is less than 1,500 square feet; therefore, a variance will for the lot area will be needed. In addition, at least one off-street parking space would be required for two dwelling units. No parking spaces are available on the site, therefore a variance will need to be incorporated into the bill for the required parking.

This memo is being submitted in accordance with Subsections 5-201 and 5-303 of the Zoning Code for Baltimore City.

Respectfully,

A handwritten signature in black ink, appearing to read "Geoffrey M. Veale".
