City Council Bill 09-0261 establishes the Land Bank Authority of Baltimore City, provides for the Authority's powers, duties, and limitations, provides for a Board of Directors and for the selection and terms of the Board's members, and for the powers and duties of the Board. The bill also provides that the Land Bank Authority shall be included in the definitions of "agency" and "board" for the purposes of the Baltimore City Ethics Code. In addition, the bill requires that the members of the board of directors, the executive director and all non-clerical employees of the Land Bank Authority file financial disclosure statements under Section 7-8 of the Ethics Code.

The Baltimore City Ethics Board has no objections to the City Council Bill 09-0261 as it applies to the Ethics Board.
