TO

The Honorable President and Members
of the Baltimore City Council
c/o Karen Randle
Room 400 City Hall

I am herein reporting on City Council Bill No. 08-0242.

Sale of Property – Subterranean Rights under Pleasant Street

For the purpose of authorizing the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in a certain parcel of land known as the subterranean rights under Pleasant Street, 23.35 feet east of St. Paul Place and extending Easterly 26.00 feet and no longer needed for public use; and providing for a special effective date.

The Department of Transportation has reviewed City Council Bills 08-0242, 08-0241 and 08-0240. Together, these bills open, close and authorize the sale of subterranean rights under Pleasant Street, which will allow Mercy Hospital to build a tunnel to connect the hospital to its parking garage. We have been working with Mercy on this project and have not objections to this bill.

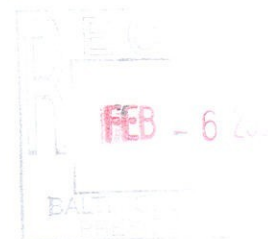

Respectfully,

ALFRED H. FOXX
DIRECTOR
