MEMORANDUM

To: The Honorable President and Members of the Baltimore City Council
c/o Natawna Austin, Executive Secretary

From: Paul T. Graziano, Commissioner

Date: June 13, 2016

Re: **City Council Bill 16-0649 - City Property – Grant of Easements**

The Department of Housing and Community Development (HCD) has reviewed City Council Bill 16-0649, for the purpose of authorizing the Mayor and City Council of Baltimore to grant 3 perpetual easements to the Maryland State Highway Administration for the maintenance of 3 storm water drainage inlets along Dulaney Valley Road, through the property of the Loch Raven Reservoir, in Baltimore County, Maryland, as shown on Plats 60060 and 60061 filed in the State Highway Administration State Roads Commission; and providing for a special effective date.

If enacted, this bill would allow three permanent easements to the Maryland State Highway Administration so they are able to maintain storm water drainage inlets along a stretch of Dulaney Valley road that runs through the City owned Lock Raven Reservoir.

The Department of Housing and Community Development has no objection to the passage of City Council Bill 16-0649.
