

TRANSMITTAL MEMO

TO: Bernard "Jack" Young, President City Council  
FROM: Peter Little, Executive Director  
DATE: January 4, 2012  
RE: ORDINANCE 11-0007

I am herein reporting on City Council Bill 11-0007 introduced by Councilmember's Cole, Scott, Spector, Middleton, Mosby, Holton, Welch, Reisinger, Branch, Clarke and Council President Young at the request of UA Locust Point Holdings, LLC.

The purpose of the Bill is to approve certain amendments to the Development Plan of the Planned Unit Development for the Under Armour Headquarters (formerly known as Tide Point).

The Baltimore City Parking Authority reviewed the amendments and determined there would be no negative impact to parking in that area as a result of the passage of those amendments. The Parking Authority would make their staff readily available to other City agencies and/or work-groups on any parking activity within this Planned Unit Development.

Based on the above comments, the Baltimore City Parking Authority supports the passage of City Council Bill 11-0007.
