RE: City Council Bill 19-0435

PARKING
OF BALTIMORE CITY
AUTHORITY

I am herein reporting on City Council Bill 19-0435 introduced by the Council President at the request of the Administration (Department of Transportation.)

The purpose of this bill is to authorize the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in the air rights area over a portion of the public right of way of the 200 block of North Broadway and no longer needed for public use; and providing for a special effective date.

The Parking Authority of Baltimore City (PABC) reviewed the proposed legislation. The legislation does not reference parking. This site is not located where the Parking Authority administers any on-street parking programs. While there is parking on-street near the location, this bill will have no negative effect on parking.

Based on the comments above, the PABC does not oppose the passage of City Council Bill 19-0435.
