RE: Council Bill 10 - 0442

I am herein amending the Parking Authority of Baltimore City (PABC) comment letter, dated April 6, 2010, in response to City Council Bill 10 - 0442 introduced by Councilmember William H. Cole, IV.

The purpose of the Bill 10 - 0442 is to amend the Urban Renewal Plan for Upton to allow the unenclosed display of certain merchandise in a certain land use classification in the Upton Urban Renewal Area, subject to certain conditions; waiving certain content and procedural requirements; making the provisions of this Ordinance severable; providing for the application of this Ordinance in conjunction with certain other ordinances; and providing for a special effective date.

The PABC reviewed the Urban Renewal - Upton Amendment to allow the unenclosed display of certain merchandise in a certain land use classification in the Upton Urban Renewal Area. With the recent removal of parking meters in the 1500 through 1800 blocks of Pennsylvania Avenue, the PABC no longer has any objection to this bill.

Based on the above comments the Parking Authority supports the passage of City Council Bill 10 - 0442.
