Re: City Council Bill 20-0582 – City Streets – Closing – A Portion of Boston Street

Dear President and City Council Members:

The Law Department has reviewed City Council Bill 20-0582 for form and legal sufficiency. The bill would allow the City to condemn and close a portion of Boston Street that it no longer needs. The bill expressly reserves the rights the Mayor and City Council has in the structures located under the street bed, including access rights.

Section (34) of Article II of the City Charter grants the Mayor and City Council the power to “construct, open, extend, widen, straighten or close streets, bridges, tunnels or approaches to them and other public ways of every kind within the bounds of the City.” Section 116(b)(2) of Article VII of the City Charter requires the Department of Transportation to prepare all ordinances for the opening and closing of streets.

As this bill meets with the applicable sections of the Charter, the Law Department approves it for form and legal sufficiency.

Very truly yours,

Hilary Ruley
Chief Solicitor
