DATE: May 13, 2011

The Honorable President and Members
of the Baltimore City Council
c/o Karen Randle
Room 400 - City Hall

I am herein reporting on City Council Bill 11-0682 introduced by the Council President on behalf of the Administration (Department of General Services).

The purpose of the Bill is to consent and approve a petition to extend the Metropolitan District of Baltimore County (Extension 163), to a tract of land, consisting of approximately 108.698 acres, located in the 2C4 Election District of Baltimore County, in the vicinity of the south side of Lyons Mill Road, west of Owings Mill Road, in Baltimore County.

A petition for an extension of the Baltimore County Metropolitan District to be valid under Maryland law must be approved by the Mayor and City Council of Baltimore. The Department of Public Works has confirmed that the petition request can be adequately served with water from the existing water distribution system. The area proposed to be served is within the Baltimore County Urban-Rural Demarcation Line and is surrounded by properties already within the Metropolitan District.

Based on these findings, the Department of Public Works supports passage of City Council Bill 11-0682
