**A RESOLUTION OF THE MAYOR AND CITY COUNCIL CONCERNING**

**Downtown Management District and Downtown Management Authority**

FOR the purpose of renewing and continuing the Downtown Management District and Downtown Management Authority, subject to certain conditions, for an additional 5 years; generally relating to the activities and authority of the Downtown Management District and Downtown Management Authority; and providing for a special effective date.

**Recitals**

City Code Article 14, Subtitle 1 (the “Enabling Statute”) authorizes the creation of the Downtown Management District (the “District”) and the Downtown Management Authority (the “Authority”), subject to certain terms, conditions, and limitations.

Art 14, § 1-20, provides that, no sooner than 4 years and no later than 5 years from the passage of the Enabling Statute, and periodically after that, the City Council must hold a public hearing to evaluate the activities and undertakings of the Authority and the District.

Art. 14, § 1-20, further provides that, at the conclusion of the hearing, the City Council must use the procedures described in Art. 14, § 1-19 to determine whether opposition to continuation of the District exists in excess of certain levels.

By Resolution 96-005, Resolution 02-026, and Resolution 07-022, the District and Authority have been renewed and continued for successive 5-year terms, the most recent of these ending June 30, 2012.

For purposes of determining whether to again renew and continue the District and the Authority, the City Council has held a hearing, as required by Article 14, § 1-20.

The City Council finds that, since its establishment, the Authority has initiated and carried out numerous activities and undertakings in support of the objective of the Enabling Statute, including the implementation of public safety, clean-up, maintenance, streetscape improvements, beautification, and marketing activities and programs. These include:
