The Honorable President and
Members of the City Council
City Hall, Room 400
100 N. Holliday Street

The Department of Planning is in receipt of City Council Bill #11-0657, which is for the purpose of correcting certain technical errors and omissions in the City Code; repealing certain obsolete or otherwise unnecessary provisions; correcting, clarifying, and conforming certain language; and providing for a special effective date. Specifically, the bill amends the City's Building, Fire, and Related Codes; Health Code; Zoning Code; Article 8 (Ethics); Article 15 (Licensing & Regulation); and Article 22 (Retirement Systems).

Staff has found the changes to be minor and technical in nature. Therefore, the Planning Department has no objection to City Council Bill #11-0657 and wishes to defer to those agencies directly affected. If you have questions, please contact Mr. Wolde Ararsa, Chief of the Land Use and Urban Design Division Deputy at (410) 396-4488.
