Baltimore City Council  
Committee on Taxation, Finance & Economic Development  
100 North Holliday Street  
Baltimore, MD 21202

Dear Taxation, Finance & Economic Development Committee:

As President of the Woodbourne-McCabe Neighborhood Association, I am writing today to offer my strong support of Council Bill 20-0632, which provides a property tax credit to Habitat for Humanity of the Chesapeake for its properties within Baltimore City.

Habitat Chesapeake has partnered with the Woodbourne-McCabe community for years, and has built new homes out of many vacant houses in our community. They have been a powerful partner to our community.

It is for the reasons of supporting their mission for homebuilding that I support Council Bill 20-0632, which would aid Habitat Chesapeake in its building efforts in communities.

Sincerely,

Phyllis Gilmore

President, Woodbourne-McCabe Neighborhood Association
