The Honorable President and

Position: Favorable

Introduction

The Department of Housing and Community Development (DHCD) has reviewed City Council Bill 24-0533 Zoning - Conditional Use Conversion of a Single-Family Dwelling Unit to 4 Dwelling Units in the R-8 Zoning District - Variances - 15 North Stricker Street for the purpose of permitting, subject to certain conditions, the conversion of a single-family dwelling unit to 4 dwelling units in the R-8 Zoning district on the property known as 15 North Stricker Street (Block 0197, Lot 020), as outlined in red on the accompanying plat; and granting variances from off-street parking requirements; and providing for a special effective date.

If enacted, City Council Bill 24-0533 would grant a conditional use conversion of a single-family dwelling unit to 4 dwelling units with variances from certain off-street parking requirements for the property located at 15 North Stricker Street. If approved, this Bill will go into effect the day of its enactment.

DHCD Analysis

At its regular meeting of August 1, 2024, the Planning Commission adopted the findings and equity analysis outlined within their staff report but did not agree to the proposed amendment from staff, and recommended that the Bill be approved by the City Council as drafted. In their report, the Commission found that the conversion of a single-family dwelling unit into 4 dwelling units within the R-8 Zoning District would not endanger public health, safety, or

welfare. The Commission also found that the public interest would be served through the renovation of a vacant home that will be returned to productive use.

The referenced property does not fall within any of DHCD's Streamlined Code Enforcement Areas or Community Development Zones but does fall within the Southwest Impact Investment Area. DHCD does not anticipate an operational or fiscal impact from the passage of this Bill and the granting of this conditional use conversion may help increase rental housing opportunities within the Franklin Square neighborhood and its surrounding communities.

Conclusion

DHCD respectfully requests a **favorable** report on City Council Bill 24-0533.
