SUBJECT: City Council Bill No. 09-0361
Sale of Property – the former Beds of Two Portions of Penn Street

The Baltimore Development Corporation (BDC) has been asked to comment on City Council Bill No. 09-0361, an ordinance for the purpose of authorizing the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in certain parcels of land known as the former beds of two portions of Penn Street and no longer needed for public use.

BDC has reviewed the proposed bill and supports the proposed ordinance. The sale of the streets will allow for the expansion of the R. Adams Cowley Shock Trauma Center which has been an integral institution to Baltimore City and its residents.
