Members of the City Council
City Hall, Room 400
100 North Holliday Street

November 17, 2011

The Department of Planning is in receipt of City Council Bill #11-0791, for the purpose of modifying certain provisions governing quarterly payments of the license fees and registration tax for simulated slot machines; providing for the retroactive application of these modifications; conforming, correcting, and clarifying related provisions; providing for a special effective date; and generally relating to the licensing, registration, and regulation of amusement devices.

The Department of Planning is in receipt of City Council Bill #11-0791, which generally addresses fees and licenses required for simulated slot machines. As this bill amends portions of City Code Article 15 (Licensing and Regulation) alone, Planning takes no position on this bill, and defers to the Department of Finance.

If you have any questions, please contact Mr. Wolde Ararsa, Division Chief, Land Use and Urban Design Division at 410-396-4488.
