Ladies and Gentlemen:

City Council Bill No. 13-0232 has been referred by your Honorable Body to the Board of Municipal and Zoning Appeals for study and report.

The purpose of City Council Bill No. 13-0232 is to enlarge the boundaries of the development district known as the “Harbor Point Development District” by including additional properties; revising Exhibit 1 to include these additional properties; deleting and changing certain parcel references that do not affect the boundaries of the development district; repealing provisions related to state obligations and clarifying certain related provisions; providing for a special effective date; and generally relating to the establishment of the Harbor Point Development District.

The BMZA has reviewed the legislation and supports the passage of Bill 13-0232.

Sincerely,

David C. Tanner
