	SUBJECT	City Council Bill #14-0401		

DATE: June 23, 2014

TO The Honorable President and  
Members of the City Council  
Room 400, City Hall

Attention: Ms. Karen Randle

City Council bill 14-0401 has been introduced to provide an \$818,461 supplemental General Fund Operating Appropriation to the Department of Transportation (Service 683: Street Management) for additional operating expenses in Fiscal 2014.

The City of Baltimore, and other counties within the state of Maryland, experienced a greater number of winter weather events than in previous years. The combination of cold temperatures and precipitation resulted in a significant number of potholes. The state of Maryland passed the Supplemental Budget No. 1 providing additional funding to assist with pothole repair. The source of this appropriation is a supplement to Baltimore City's Fiscal 2014 State Highway User Revenues.

The Department of Finance supports this legislation.
