Re: **City Council Bill 12-0129 – Baltimore City Landmark List – Equitable Building**

The Department of Housing and Community Development has reviewed City Council Bill 12-0129, which was introduced for the purpose of designating the Equitable Building, 10-12 North Calvert Street, as a historical landmark.

This bill would designate the Equitable Building, located at 10-12 North Calvert Street, a Baltimore City Landmark. It is the understanding of the Department of Housing and Community Development that the Equitable Building meets all the criteria for the City's Landmark designation.

The Department of Housing and Community Development has no objection to the adoption of City Council Bill 12-0129.
