The Honorable President and Members
of the Baltimore City Council
c/o Karen Randle
Room 400 City Hall

I am herein reporting on City Council Bill No. 09-0316.

Zoning – Parking Lot District – Conditional Use Parking Lots – Block 3635, Lots 17 and 17A

For the purpose of permitting, subject to certain conditions, the establishment, maintenance, and operation of open off-street parking areas on the properties known as Block 3635, Lots 17 and 17A (WS Maryland Avenue SWC 26th Street and ES North Howard Street SEC 26th Street), as outlined in red on the accompanying plat.

The Department of Transportation has reviewed City Council Bill 09-0316. It is our understanding that the lots identified in the accompanying plat are to be used for additional parking for a proposed apartment building being developed for housing teachers. The resident teachers are to be employed by the Baltimore City School System.

The Department of Transportation has no objections to the project and defers to the Department of Planning.

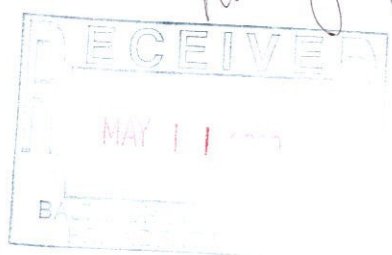

Respectfully,

ALFRED H. FOXX
