RE: City Council Bill 14-0458

I am herein reporting on City Council Bill 14-0458 introduced by Council President Bernard Jack Young at the request of The Administration (Law Department).

The purpose of this bill is to authorize the Mayor and City Council of Baltimore to release an easement pertaining to certain property known as 414 Light Street, the easement being no longer needed for public use; and providing for a special effective date.

The Baltimore City Parking Authority reviewed the location and determined that the release of this easement will have no negative impact on parking in the area.

Based on the above comments, the Baltimore City Parking Authority supports the passage of City Council Bill 14-0458.
