

TRANSMITTAL MEMO

TO: Bernard "Jack" Young, City Council President
FROM: Peter Little, Executive Director

RE: ORDINANCE 12-0012

I am herein reporting on the amendment to City Council Bill 12-0012 that was passed by the City Council on Monday, March 19, 2012.

The Baltimore City Parking Authority reviewed the amendment and will maintain their original determination that there would be no negative impact to parking in that area as a result of the passage of the bill. The Parking Authority would make their staff readily available to other City agencies and/or work-groups on any parking activity within this Planned Unit Development.

Based on the above comments, the Baltimore City Parking Authority supports the passage of City Council Bill 12-0012.
