RE: Council Bill 15-0602

I am herein reporting on City Council Bill 15-0602 introduced by Councilmember Kraft at the request of H & S Properties, Inc.

The purpose of this bill is to permit, subject to certain conditions, the establishment, maintenance, and operation of a parking, open off-street area on the properties known as 1500 Fleet Street and 515-531 South Caroline Street, as outlined in red on the accompanying plat.

The Parking Authority of Baltimore City (PABC) reviewed the proposed legislation, as well as the proposed site plan. The PABC has determined that the conditional use of this property will have no negative impact on parking in the area.

Based on the comments above, the Parking Authority of Baltimore City supports the passage of City Council Bill 15-0602.
