Re: City Council Bill 22-0211 – Healthcare Reform

Dear Mr. President and City Council Members:

City Council Bill 22-0211 has been referred to the Fire and Police Employees' Retirement System ("F&P") for comment. The Bill's stated purpose is: the establishment of an Employee and Retiree Health Benefits Program for Baltimore City employees; the creation of a City Health Insurance Committee and establishment of membership, procedures, and duties therefor; and mandating of the provision of certain reports and data to the City relating to healthcare for City employees, retirees, their spouses, and their dependents.

The F&P Board of Trustees neither opposes nor supports the legislation.
