Room 400 City Hall

May 2, 2017

I am herein reporting on City Council Bill 17-0053 for the purpose of authorizing the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in certain parcels of land known as the former beds of East Fairmount Avenue and a portion of Aisquith Street, bounded by East Fayette Street, Aisquith Street, East Baltimore Street, and East Street, and no longer needed for public use; and providing for a special effective date.

E. Fairmount Avenue and Aisquith Street both lie within the Jonestown Historic District and are a part of the proposed Hendler Redevelopment Project. This project includes the rehabilitation of the historic Hendler Creamery Building and new construction on the remaining lot.

The Department of Transportation supports this bill.

Thank you for this opportunity to comment.

Respectfully,

Frank J. Murphy  
Acting Director
