PLANNING COMMISSION

STAFF REPORT

February 7, 2008

REQUEST: Street Closing /Portion of Hunter Street behind 1312 Guilford Avenue

RECOMMENDATION: Approval, subject to compliance with Department of Public Works requirements.

STAFF: Kenneth Hranicky

PETITIONER: Printer's Square Apartments, LLC

OWNER: Mayor and City Council of Baltimore

SITE/GENERAL AREA

Site Conditions: The requested street closing is a portion of Hunter Street approximately 20-foot wide by 100-foot lot (Block 0468), located between a 10 foot alley and a 7 foot alley, southwest of the intersection at East Mt. Royal Street, behind 1312 Guilford Avenue.

General Area: The proposed street closing is in the northern portion of the Midtown Belvedere community, where there is a mix of residential, office residential, and other business uses. Much of the surrounding area is zoned R-9. The street closing in question is in the Mid-Town Belvedere Urban Renewal Area and in the Mt. Vernon historic district.

HISTORY

- Ordinance 62-1238 granted permission to Williams and Wilkins Company to construct, use, and maintain a 3 story bridgeway from the rear of the property known as 1310 Guilford Avenue, to the front of the property now known as 1300/1314 Hunter Street.
- Ordinance #75-1037, approved December 1, 1975, established the Mid-Town Belvedere Urban Renewal Plan.
- Ordinance #01-156, approved April 30, 2001, was the last amendment to the Urban Renewal Plan.
- Ordinance #04-861, approved December 2, 2004, authorized the sale of former Firehouse No. 28 property.

CONFORMITY TO PLANS

This site lies within the Mid-Town Belvedere Urban Renewal Plan boundaries and the site plans comply with its provisions. The street closing also complies with the

Comprehensive Master Plan's Earn Section, Goal 1, Objective 1: Retain and Attract Businesses in all Growth Sectors.

ANALYSIS

Osprey-Bolton Printer's Square, LLC has requested the street closing and is proposing to use the bed of Hunter Street as a private courtyard between its two apartment buildings at the site and to finish the consolidation of their bordering lots. No construction is being proposed. This portion of Hunter Street serves mainly as access to the Printer's Square Apartments and the staging of dumpsters.

The applicant owns the property bordering the proposed street closing. It is staff's opinion that this portion of Hunter Street is not needed to provide access to adjacent properties and that it can be closed, declared surplus right-of-way, and be disposed of.

The Mt. Vernon-Belvedere Association, the Midtown Community Benefits District, Central District Police – Community Relations Council, Charles – North Community Association have been notified of this action.
