

MEMORANDUM

TO: Honorable President and Members of the City Council
Attention: Natawna B. Austin, Executive Secretary

FROM: William H. Cole, President & CEO 

DATE: February 23, 2015

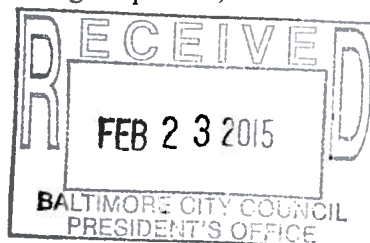

SUBJECT: City Council Bill No. 15-0474
Waterfront Management District and Waterfront Management Authority –
Renewal through April 23, 2019

The Baltimore Development Corporation (BDC) has been asked to comment on City Council Bill No. 15-0474, an ordinance for the purpose of renewing and continuing the Waterfront Management District and Waterfront Management Authority for a new four (4) year term.

The Waterfront Management District was created with the goal of providing critical services to the City's iconic Inner Harbor. The Waterfront Partnership of Baltimore, Inc. (WPB) has administered the Management District and Authority since its inception. Over this period, WPB has served both city residents and visitors by keeping the Inner Harbor area clean of debris and litter; by managing landscaping and maintenance services in the District; and by providing trained safety and hospitality guides who lend a helpful hand to all visitors and help promote the Inner Harbor and the City.

BDC supports Ordinance No. 15-0474 to continue the Waterfront Management District and Waterfront Management Authority through April 23, 2019.
