1 A COUNCIL RESOLUTION concerning

2 **Informational Hearing – The Mayor's Office of Human Services' Efforts to Address**
3 **Homelessness in Baltimore**

4 FOR the purpose of calling on representatives from the Mayor's Office of Human Services to
5 appear before the Council to update it on the City's efforts to make homelessness a rare and
6 brief experience in Baltimore, and to discuss where improvements can be made in best
7 utilizing the City's partnerships and resources to meet this goal.

8 **Recitals**

9 Throughout America, and here at home in Baltimore, homelessness remains a serious
10 problem that often does not get the attention and resources that it deserves. Baltimore City is
11 midway through an ambitious 10 year plan to end homelessness, and City government continues
12 to work to make homelessness a rare and brief experience.

13 In recent years, the Mayor's Office of Human Services (MOHS) has been the City agency
14 tasked with leading the City's efforts to achieve this goal. MOHS must work in partnership with
15 many other government agencies on the local, State, and Federal levels, as well as with private
16 service providers, in order to effectively address the many issues that must be considered by any
17 attempt to combat homelessness.

18 Since homelessness is a persistent problem that is too often ignored, it is important that the
19 Council make every effort to keep it at the forefront of decision makers minds. With too few
20 resources allocated to this complicated issue, it is vitally important to ensure that all of those
21 resources are being employed in the most effective way possible.

22 Homelessness is a problem that requires constant engagement, cooperative efforts amongst
23 many stakeholders, and a focused approach to making use of scant resources where they can do
24 the most good. Periodic discussions about how well the City's approach meets these principles,
25 and where improvements can be made, are essential if Baltimore is ever to achieve its goal of
26 making homelessness a rare and brief experience.

27 **NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF BALTIMORE,** That the
28 Council calls on representatives from the Mayor's Office of Human Services to appear before it
29 to update the Council on the City's efforts to make homelessness a rare and brief experience in
