SUBJECT: City Council Bill No. 08-0157
Rezoning – Properties in Canton

The Baltimore Development Corporation (BDC) is pleased to support City Council Bill 08-0157. The bill, which is designed to change zoning throughout areas of Canton, is part of a greater City-wide zoning rewrite. TransForm Baltimore is a two-year initiative being conducted by the Department of Planning that will develop a state-of-the-art zoning code, modernize the development process, improve and preserve neighborhood character, and promote job growth within the City. BDC has reviewed the proposed bill and has no objections to the proposed zoning changes.
