City Council Bill #08-0125 has been introduced for the purpose of increasing the number of persons serving on the Board of Fire Commissioners from 3 to 5 and restating for context and clarifying certain Charter provisions governing the Board of Fire Commissioners. Specifics of the Bill include that the Board of Fire Commissioners is appointed by the Mayor, that the Mayor will designate its President, and that the term of each member is 4 years, concurrent with the Mayor's term of office, until a successor is appointed and qualifies. The creation of two Commission Members will cost approximately \$11,470.

The Department of Finance supports approval of this legislation.
