**Re: City Council Bill No. 15-0200R  
Investigative Hearing – Valet Parking Program**

Dear Council President Young and Members of the City Council:

The Baltimore Police Department (BPD) has received City Council Bill No. 15-0200R – Investigative Hearing – Valet Parking Program for review. The resolution is for the purpose of calling on representatives from the Departments of Finance and Transportation, the Parking Authority of Baltimore City, the BMZA, and the Baltimore City Police Department to appear before the Council to report on the implementation of the valet parking program created by ordinance in 2013, as well as revenue generated thus far as a result of this law, including but not limited to, application fees, licensing fees, and citations issued for businesses that are not in compliance.

The BPD is not aware of any problems concerning the valet parking program and is supportive of the program. We will have representative present at the hearing to answer any questions.

Thank you for the opportunity to comment on the legislation.

Sincerely,

Melissa Hyatt  
Lieutenant Colonel  
Police Commissioner's Office
