CONFORMITY TO PLANS

The proposal to close the alleys is compatible with EARN Goal 1, Objective 1: Retain and Attract Businesses in all Growth Sectors.

ANALYSIS

Riverside Properties, LLC, has requested condemnation proceedings to close three 10 foot alleys, located on the south side of Riverside Road, west of Levin Road, and bordering the Baltimore City/County Boundary Line.

Riverside Properties, LLC operates a light manufacturing business at 121 Riverside Road and is proposing to expand and double the size of its operation. The three alleys will be needed as part of its proposed expansion. All three alleys are 10 feet wide and have a combined length of 639 feet 3 inches. The alleys are not improved. All properties adjacent to the alleys are owned

by Riverside Properties, LLC except for 111 Riverside Road. A letter of consent has been acquired from Mr. Edward Bowen, owner of 111 Riverside Road.

It is staff's finding that these alleys are not needed to provide access to adjacent properties. Thus, the subject alleys are no longer needed for public purposes and can be closed; the right-of-ways declared surplus property and sold.

In advance of today's hearing on this matter, staff mailed the Brooklyn and Curtis Bay Coalition, Brooklyn-Curtis Bay Ministerial Alliance, and the Southwestern District Police-Community Relations Council notification of this action.
