RE: City Council Bill 08-0027

I am herein reporting on City Council Bill 08-0027 introduced by Council member Edward Reisinger at the request of Hull Point, LLC.

The purpose of this Bill is to repeal the existing Development Plan for the Whetstone Point Planned Unit Development; and approving a new Development Plan for the Tide Point Planned Unit Development.

The Baltimore City Parking Authority, Inc. reviewed the proposed legislation and supports the Bill. The Parking Authority will work with the Developer through the Site Plan Review process to make sure that sufficient parking is provided for the Development. We will also continue to work with the community surrounding this Development to address their parking needs and to protect residential parking assets through various programs available to us.

Based on the above comments, the Baltimore City Parking Authority, Inc. supports the passage of City Council Bill 08-0027.
