RE: ORDINANCE 11-0779

PARKING
OF BALTIMORE CITY
AUTHORITY

I am herein reporting on City Council Bill 11-0779 introduced by Council President Bernard Jack Young at the request of the Administration (Baltimore Development Corporation).

The purpose of this Bill is to authorize the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in certain property known as 3323 Eastern Avenue (Ward 26, Section 11, Block 6423, Lot 012), and no longer needed for public use; and providing for a special effective date.

The Baltimore City Parking Authority reviewed the proposed legislation and determined there would be no negative impact to parking in that area, except for on-street parking directly adjacent to the property known as 3323 Eastern Avenue (Ward 26, Section 11, Block 6423, Lot 012) due to possible construction.

Based on the above comments, the Baltimore City Parking Authority supports the passage of City Council Bill 11-0779.
