**Re: Bill 14-417 {"Corrective Bill 2014"}**

You have asked the Ethics Board to review and comment on those parts of Bill 14-417 that propose modifications to City Code Article 8 {"Ethics"}.

The purpose of Bill 14-417 is to correct errors and omissions in the City Code that have cropped up over the years. The two changes proposed to Article 8 are just that: one moves a definition to the only subtitle in which the defined term appears (§ 7-1), and the other corrects an omitted reference to a newly created board (§ 7-8(38)).

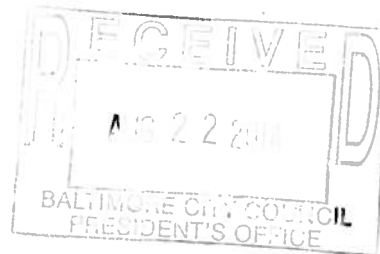

The Ethics Board concurs with and recommends these proposed corrections to Article 8.

Very truly yours,

Avery Aisenstark
