	SUBJECT	CCR #2018-0078 Informational Hearing Coordination of CitiWatch and ATVES and DAS Installations		

DATE:

TO

The Honorable President and
 Members of the City Council
 City Hall, Room 400
 100 North Holliday Street

November 2, 2018

City Council Bill (Resolution) #18-0078 has been introduced for the purpose of calling on representatives from various City Departments to appear before the Council to testify on how DAS and ATVES installations can ease the burden of cost of installation of additional CitiWatch cameras.

The Department of Planning is supportive of any collaboration by which equipment providing for a public service, such as CitiWatch cameras, may be installed in coordination with small cell antennas located within the City's right-of-way. In addition to potential cost savings, coordinating these programs can cause less disturbance to the public if the appropriate infrastructure can be installed concurrently. The Department of Planning supports this resolution.

If you have any questions, please contact Mr. Eric Tiso, Division Chief, Land Use and Urban Design Division at 410-396-8358.
