I am herein reporting on City Council Bill #13-0257, Zoning - Conditional Use Conversion of a 2-Family Dwelling Unit to a 9-Family Dwelling Unit in the R-7 Zoning District - 4227 Frederick Avenue, for permitting, subject to certain conditions, the conversion of a 2-family dwelling unit to a 9-family dwelling unit in the R-7 Zoning District on the property known as 4227 Frederick Avenue.

The Department of Transportation (DOT) supports this bill. As mentioned in Planning's bill report, converting this property into a 9-family dwelling unit is projected to have a very minimal impact on traffic congestion in the neighborhood. Further, no traffic impact study for this conversion is required. Thank you for allowing me this opportunity to comment.

Respectfully,

William M. Johnson
Director
