Dear Mayor Young,

My name is Soumya Garg. In the midst of a pandemic and public outcry against police brutality, it is inappropriate to propose increases to the Baltimore Police Department budget. I urge you to reallocate the Baltimore City Expense Budget, divest interest in the BPD, and invest in social services and education programs, effective for FY 2021.

Investment in programs such as the Affordable Housing Trust Fund, Baltimore Children and Youth Fund, Safe Streets Baltimore, the Office of Employment and Development, or the Department of Health will have a measurable and lasting impact on public health and safety.

Best,
Soumya Garg

I urge you to reallocate the Baltimore City Expense Budget, divest interest in the BPD, and invest in social services and education programs, effective for FY 2021.

I moved to this city because I fell in love with its community spirit, and I believe that if police are defunded and those funds are redistributed to community resources, incredible things will happen. Surely you have seen Baltimoreans outside City Hall peacefully gathering and heard how our city's protests have been a shining example of disciplined nonviolence: now I ask that you do your role in helping Baltimore continue to be an example of righteousness and community for other cities in this nation.

Best,
Lindsey Jackson
