TO

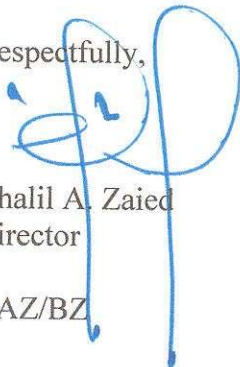

The Honorable President and Members
of the City Council
c/o Karen Randle
Room 400 City Hall

November 8, 2012

I am herein reporting on City Council Bill #12-0146. This bill, Planned Unit Development - The District at Canton Crossing - Amendment 2, approves certain amendments to the Development Plan of the District of Canton Crossing Planned Unit Development.

The master plan approved as part of the original District at Canton Crossing PUD envisioned a bank with drive-through within Phase 1 of the project area. Since then, the PUD was amended by the Planning to include a drive-through pharmacy associated with an on-site grocery store. As such, the PUD legislation needs to be amended as well, as banks are the only drive-through uses currently permitted within the PUD. The Department of Transportation has no objections to this bill and respectfully requests it be granted a favorable vote.

Respectfully,

Khalil A. Zaied
Director
