Re: City Council Bill 20-0549- City Property – Renaming the Columbus Obelisk Monument to the Police Victims Monument

Dear President and City Council Members:

The property in question Columbus Obelisk Monument (Block 4197 Lot 002) is within the agency jurisdiction of the Department of Recreation and Parks; therefore, the Department of General Services respectfully defers to BCRP to issue comment on the operational impact of the bill. However, DGS manages many other historic properties and has been closely involved with the management of city-owned monuments generally.
