The Honorable Bernard Jack Young and
 Members of the Baltimore City council
 City Hall, Room 406
 100 N. Holliday Street

The Department of Human Resources neither supports nor opposes City Council Bill 10-0455. This proposed Bill would require contractors to enter into a community partnership agreement with the City and the appropriate qualified construction unions. The Board of Estimates in consultation with one or more qualified construction unions would draft said agreement. The Department of Human Resources defers to the Law and Finance Departments in reference to the legal and fiscal impacts of this Bill.
