

AMENDMENTS TO COUNCIL BILL 17-0034R
(1st Reader Copy)

By: The Housing and Urban Affairs Committee
{To be offered on the Council Floor}

Amendment No. 1

On page 2, after line 27, insert:

“The Council requests that the Maryland Department of the Environment use its legal authority to go beyond the RACT standard in order to set a nitrogen oxides limit of 45 ppm on a 24-hour basis, which is the limit that would likely be set for a new incinerator.”
