The Honorable President and
Members of the City Council
Room 400, City Hall

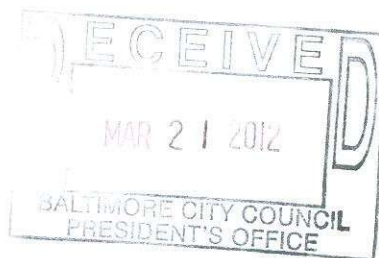

Attention: Ms. Karen Randle

City Council Resolution 12-0023R has been introduced for the purpose of calling on the Mayor and the Mayor's Office of Employment Development to establish a programmatic component to the YouthWorks Summer Jobs Program which would enable the program to extend year-round employment opportunities to young people.

The Fiscal Year 2013 preliminary budget includes enhancement funding in the amount of \$128,000 which would augment the program with additional staff dedicated to establishing a post-summer retention component to the program. MOED estimates that up to 350 young people will secure yearlong employment as a result of the additional funding.
