TO

The Honorable President and Members
of the City Council
c/o Karen Randle
Room 400 City Hall

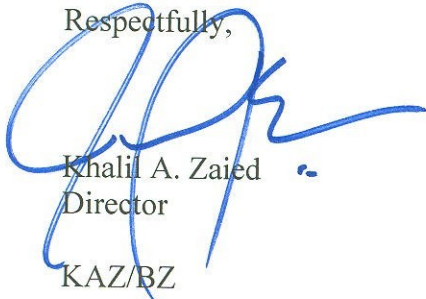

September 21, 2011

I am herein reporting on City Council Bill #11-0730.

The purpose of the bill is to permit, subject to certain conditions, the construction and maintenance of portions of a building consistent with the prior building projections, projecting into the public right-of-way on the east side of North Lovegrove Street of the property known as 20 East Preston Street; and providing for a special effective date.

A fire in an unoccupied building at 20 East Preston Street required the Department of Housing and Community Development to raze the entire structure. The Department plans to rebuild the structure in a manner that closely resembles the original, which included bay windows on the second and third floors that projected into the public right-of-way on the east side of North Lovegrove Street. This bill would permit the Department to rebuild these projecting windows. The Department of Transportation has no objections to the passage of this bill.

Respectfully,

Khalil A. Zaid
Director
