Re: **City Council Bill 12-0128 – Baltimore City Landmark List – Baltimore Equitable Society Building**

The Department of Housing and Community Development has reviewed City Council Bill 12-0128, which was introduced for the purpose of designating the Baltimore Equitable Society Building, 21 North Eutaw Street, as a historical landmark.

This bill would designate the Baltimore Equitable Society Building, located at 21 North Eutaw Street, as a Baltimore City Landmark. It is the understanding of the Department of Housing and Community Development that Baltimore Equitable Society Building meets all the criteria for the City's Landmark designation.

The Department of Housing and Community Development has no objection to the adoption of City Council Bill 12-0128.
