RE: City Council Bill 08-0017

I am herein reporting on City Council Bill 08-0017 introduced by Council President Stephanie Rawlings-Blake at the request of The Administration (Department of Planning)

The purpose of this Bill is to approve certain amendments to the Development Plan of the Harbor Point Planned Unit Development.

The Baltimore City Parking Authority, Inc. reviewed the proposed legislation and supports the Bill. The Parking Authority has negotiated an agreement with the Black Olive Restaurant to provide parking for future Black Olive Inn patrons, guest and employees in the Caroline Street Garage which is operated by The Parking Authority. This action will limit any negative effect of the Black Olive Inn on parking in the community.

Based on the above comments, the Baltimore City Parking Authority, Inc. supports the passage of City Council Bill 08-0017.
