Re: City Council Bill Number 14-0196R – Investigative Hearing – Status
of Charter Required Agency Audits

The City Council Resolution Number 14-0196R, entitled *Investigative Hearing – Status of Charter Required agency Audits*, is for the purpose of calling on representatives from the Finance Department, Law Department, and Department of Audits to appear before the Council to provide a comprehensive update about the City's progress towards meeting the Charter requirement that designated City agencies be audited once every 4 years, and to discuss the City's plan for meeting this Charter obligation in a responsible and timely manner.

We appreciate the City Council's interest in meeting the agency audit Charter requirement in a responsible and timely manner. I, and members of my staff, will be attending the hearing to provide an update and to address any questions you may have.

Respectfully submitted,
