CITY of  
BALTIMORE  
**MEMO**

TO

DATE: March 21, 2011

The Honorable Bernard Jack Young  
President of the City Council  
Room 400 City Hall

The Employees' Retirement System (ERS) has reviewed Council Bill 11-0657, which proposes to correct certain technical errors and omissions in the City Code, repeal certain obsolete or otherwise unnecessary provisions and correct, clarify and conform certain language.

The Bill proposes to make certain correcting and clarifying changes to the ERS provisions of Article 22. Council Bill 11-0657 does not make any substantive changes to those provisions. The Bill also proposes to amend provisions of Article 22 that apply to the Fire & Police Employees' Retirement System (F&P).

The ERS **SUPPORTS** the provisions of Council Bill 11-0657 that amend the ERS provisions of Article 22 and takes no position on the other provisions in the Bill. We point out that while the Bill amends provisions of Article 22 that apply to F&P, it is our recommendation that the first page of the Bill list F&P as a referred agency.
